

CO2 COMICS

Ready? Well, he's been waiting centuries. He can wait a few more minutes.

the Tetunioc

Return of the Cleric

- The second in the storyline
- The first in the Crisis saga
- The only to feature magic
- The first in-color is #2
- The series also features: The History of the Sword of Legend, which is a four part series
- Four issues

Rise of the Knight

- The first in the storyline
- Not directly involved with any other comic
- The only in-color edition is #1
- Is the first series to reveal the Tetunioc's base
- Six issues

Journeyman

The third in the storyline

Made as a Knight series originally, this comic evolved into the Hunter's playground.

Leads straight into Crisis, but is not involved.

Not made for the Archer, but she keeps cropping up.

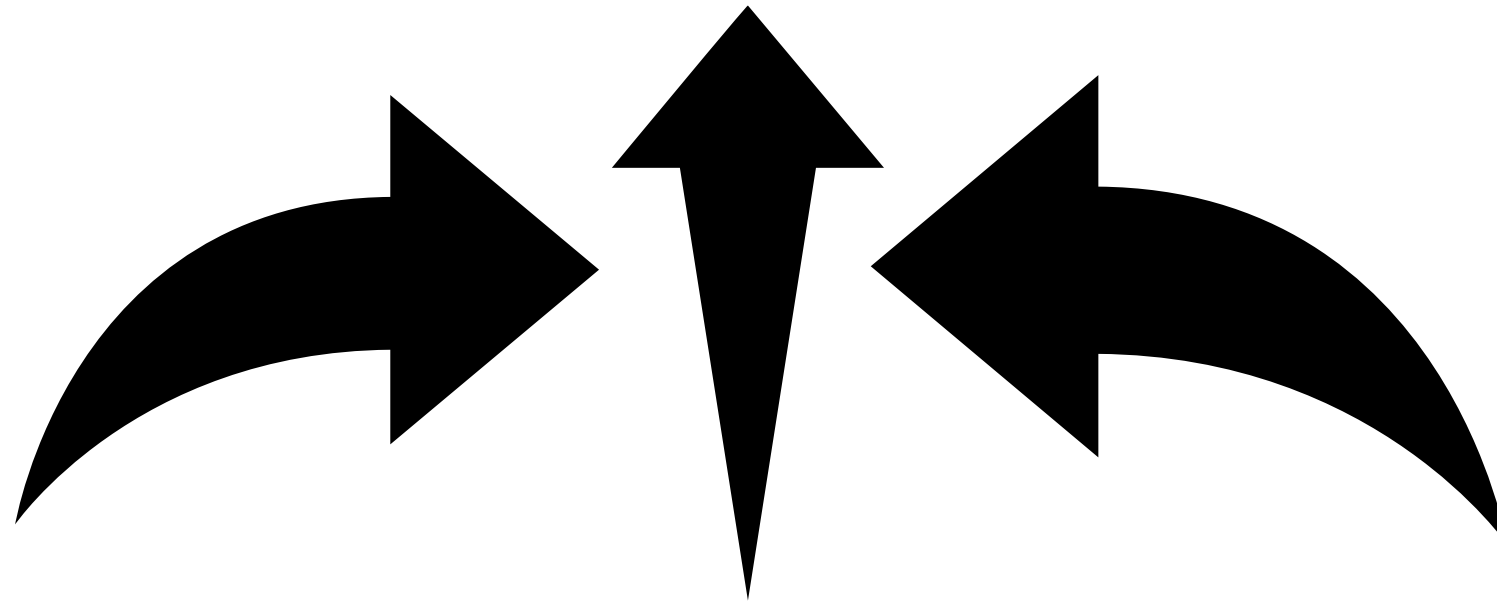

Eight issues

Upcoming Crossovers

This may seem far off, but later this year, in November..... Super Ninja will be doing a Crossover!

Also, in September, the Tetunioc Knight will be welcoming another Knight..... The Knight in Black!

And Finally, the Event we have all been waiting for.....

THE CRISIS ON DOUBLE VANASHIRES

THE MASSIVE EVENT OF
THE YEAR

THE SERIES ENDER FOR
KNIGHT, AND
JOURNEYMEN

How it Started

- In Cleric, after the staff is broken, it releases an energy wave, that pulls the two worlds slightly out of synch
- Later, in Knight, this problem was made bigger when he pulled the sword, and broke the seal that held them together
